## About Us

[www.childsafeguard.com.au](http://www.childsafeguard.com.au)

## ***Our Company***

We passionately believe that children and young people should be kept out of harm's way. Children deserve and have the right to grow and flourish in a safe environment, free from risks.

**Our equation is simple: Passion + Expertise = Child Safeguard.**

Child Safeguard provides specialised Child Protection and Child Safeguarding services and solutions to child related organisations. We achieve greater child safety and child protection through the implementation of 'best practice' harm preventative measures. Our measures ensure that organisations are better equipped to;

- ✓ Protect Children and Young People
- ✓ Minimise Reputational Risk

## ***Professional Services***

- \* Child Safe Audits and Risk Management Assessment
- \* Reputational Risk Management
- \* Stakeholder Engagement
- \* Policy Design and Development
- \* Training and Capacity Building
- \* Complaints Management and Reporting
- \* Investigations
- \* Compliance
- \* Legal advice
- \* Monitoring and Evaluation
- \* Certification

## ***Benefits***

The benefits of engaging our specialised services to implement Child Safeguard preventative measures are far reaching;

- \* Children and Young People are safer
- \* The Organisation is better protected
- \* The Organisation's employees are better protected
- \* Key Stakeholders are better engaged
- \* The Organisation's brand value is enhanced

## Child Safeguard Certification Process

The Certification process for Organisations is a comprehensive 2 year - 10 step cycle. After completing the 2 year process, Organisations will be certified and able to advertise and promote themselves to parents and other service users with Child Safeguard's **Stamp of Approval** on printed and electronic documentation.
